

## Tour to the Netherlands: Rembrandt, Tulips and Music

Enjoy Amsterdam with its numerous canals and beautiful narrow houses. We will meet the large Dutch 17th-century painting closely and admire the masterpieces of Rembrandt, Vermeer, Hals, Sten, Rijtsdal, and others. We will learn about Van Gogh's short and tragic life and see his "Potato Eaters," "Sunflowers," "Sleeping Aries," and other works.

Travel in the country and see the medieval hofjes of Haarlem and watch producing famous blue-white pottery in Delft.

Enjoy Keukenhof Flower Park, known as the "Garden of Europe," which has over 7 million tulips and other flowers. You will experience the most beautiful impressions of the combination of nature, colors, and human fantasy.

We will listen to classical music concerts in the world-famous Concertgebouw Hall. Explore night Amsterdam and stroll along its narrow streets, including the Red-Light District. We will end our stay in the Dutch capital with a spectacular cruise through the canals of Amsterdam.
