

Jewish tour to Poland, Lithuania, Latvia and Estonia

A full-guided program, designed to represent you the best of Poland, Lithuania, Latvia, and Estonia. You will learn about the history and heritage of these countries. Our special accent on this tour would be the Jewish heritage, culture, and history, as well as the dark Holocaust period. For many western Jews, these are the homelands of their ancestors, who left for the new world about 120 years ago. We want to give you an opportunity to dive into the world which does not exist anymore.
