

## Explore the history and wonders of Poland

An exploration tour of Poland covering the North and South regions, Warsaw, Krakow, Auschwitz, salt mines, cities, lakes, local traditions and cuisine. You are guaranteed to be entertained and enlightened while experiencing a kaleidoscope of events, sights, history, culture, and folklore.

Poland is one of the biggest European countries by both population and area and was once home to the largest Jewish community in Europe. With so much to experience and witness, it is easily one of the most culturally rich locations to explore. On this tour we are going to focus on the history of Poland and its people. Special attention will be paid to the Polish national identity and Poland's fight for freedom.
