

## Culinary adventure in Israel

There are many ways to travel in the Holy Land. You can join pilgrim tours or just google and buy a tour package to Israel 2020 based on tourist reviews. Or go there on your own and join Israel sightseeing tours.

We offer you a culinary tour in Israel. We want to focus on the food traditions of different nationalities and ethnicities who live in Israel. On this journey, you will not only discover but also "taste" Israel. We are privileged to invite you to spend two days with a passionate culinary consultant David Kichka.

Private tour for a small group of up to 12 people, no hurry and no hassle. With a personal driver and guide, we will take you to some of the most hidden corners of Israeli cuisine and street food. We will go to the food market to find out where the food is born and only then delivered to the restaurants.

A comprehensive two-day program to taste the best of Tel Aviv and Jerusalem, and an optional 4th-day food workshop. You will also learn about the history and heritage of these countries. Finally, you will also have some free time for independent adventure.
